

WHERE'S LUTHER?

**A Socially-Distanced Scavenger Hunt
Exclusively designed for the
Luther Burbank Home & Gardens**

Throughout the Luther Burbank Home & Gardens, there are 30 numbered headshots of Luther Burbank wearing a facemask randomly hidden. When you find him, write a brief description of the location. If you can find more than 20, you get a prize! Simply fill out this handout, and then return it by emailing the completed version to gardens@lutherburbank.org . Use the Informative Signs to help you describe the locations. When completed, turn your Scavenger Hunt data sheet and we will send you a packet of sunflower seeds hybridized on site!

Happy Hunting!!!
